

Are the Fly and Mosquito Dangerous?

The fly, with spongy feet, collects the invisible germs of diseases, spreads them over our food and poisons us with typhoid and cholera. The mosquito with its bite injects into our veins malaria and yellow fever. The bacteria of consumption, or grip, are everywhere present for us to breathe into our lungs. The blood which flows through our veins and arteries is our protection. It should contain healthy red and white blood corpuscles—capable of warding off these disease germs. Dr. Pierce's Golden Medical Discovery is a blood medicine and alterative made entirely without alcohol, a pure glyceric extract of bloodroot, golden seal, Oregon grape root, queen's root, mandrake and stone root, which has enjoyed a good reputation for over forty years. The refreshing influence of this extract is like Nature's influence—the blood is bathed in the tonic which gives life to the blood—the vital fires of the body burn brighter and their increased activity consumes the tissue rubbish which has accumulated during the winter.

Garrard Chief 1835.

Sired by Chester Dare 10, by Black Squirrel 58 by Black Eagle 74. 1st dam by Silver Time 225; by Silver King; 2nd dam by Silver King; 3rd dam by On Time, blood bay, 15 3-4 hands, said by good judges to be one of the finest stallions living. I confidently assert he has as much natural style as any living horse. He is more like his great sire Chester Dare 10, than any colt Chester Dare ever got. Garrard Chief won the championship of the South West at Dallas State Fair in 1908, 1909 and 1910 and also at Ft. Worth Horse Show in 1910 and during that time his colts won more than any other herd shown in saddle classes and Garrard Belle by Garrard Chief was shown last year at three years old 14 times and won 13 ribbons. He will make the season of 1912 at W. H. Murphy's stable four miles from Stanford on Hustonville pike at \$25.00 to insure a living colt. Mares grazed at \$2.50 per month. Care taken to prevent accidents but not responsible should any occur.

Jordan Peacock 1148

SEASON OF 1912

Pedigree—Sired by Peacock 498 by Blue Jeans 3, he by Phillip's Black Horse, he by Gen. Taylor 84. Dam, Lena Rivers by Cabell's Lexington; 2d dam, daughter of Louis Jordan, thoroughbred; 3d dam daughter of Wagner.

In securing the services of this horse, I realize he will produce what the breeders of this county need: style and finish. He is not an untired horse. I know he has produced more high class horses from common mares than any stud in Kentucky. He is the sire to breed walk-trot horses, the kind that sell. He will stand at a fee in reach of all, \$15 to insure a living colt.

Beau Naboth 45006

BY NABOTH 10116.

by Walsingham by George Wilkes

Beau Naboth's dam, Nora Baughman by Norval 5335, by Electioneer 125, 2d dam Lela J. by Metropolitan 1372 by Hamiltonian 10, 3d dam Josephine by Mauburno Starlight 3942 by Darby 441; 4th dam Mary Withers by Oliver (thoroughbred); 5th dam by Wagner; 6th dam by Imp. Tranby; 7th dam by Thornton's Rattler.

Beau Naboth is a handsome bay, standing 15 3-4 1-2 hands of great style and action and perfect disposition. He has proven a breeder, and his own breeding, the Electioneer-Wilkes cross is second to none.

His crosses with saddle bred mares have unfailingly produced combined colts of high class. Beau Naboth will make the present season at J. W. Baughman's stable, on the Somerset pike, half mile from Stanford, at \$15 to insure a living colt. Money due when mare is traded or parted with or bred elsewhere.

TWO MIGHTY JACKS.

Clifton and Russell.

Will make the present season at the stables of Jas. H. Woods, two miles west of Stanford, on the Shelby City pike, at \$10 to insure a living colt. Trading the mare forfeits the insurance. Care will be taken to prevent accidents, but not responsible should any occur. Both of these jacks are 15 1/2 hands high, black, with light points and have proven themselves extra fine breeders. Ten weanling male colts by these jacks sold for an average of more than \$123.00 at our sale last fall. Jennets will be cared for after June 1st and will be bred to either jack at \$20 to insure a colt.

Don Varrick is a beautiful chestnut, 16-2, by the great Onward Silver 2:05 1/4, he by Onward, by Geo. Wilkes. Onward Silver sold for \$25,000, and was as game a race horse as ever went down the Grand Circuit. Don Varrick's first dam by Wilkes Boy, the sire of a great family of Futurity winners; 2d dam, Mary by Bogg's Grey Eagle, the dam of The Wag 2:15 1/4 and Madeline Patchen, the dam of Rubber 2:10, Billy Wilton 2:20, Winchester 2:19 1/4 and Miss R. 2:30. Hubinger, of New Haven, Conn.; also the dam of Maggie Igo, that trotted a half mile on same track in 1:11 at 16 months, and sold for \$500.

Don Varrick breeds size, speed and finish. His disposition is perfect. Season money due when mare is sold, traded or bred to another horse. Will pasture mares at \$3 a month, and will take especial care to prevent accidents, but will not be responsible should any occur.

ED BALLARD, Stanford, Ky.

DOCK.

I will stand my fine Shetland stallion Dock for the season of 1912 at the farm of S. J. Embry on the Lancaster pike, at \$10 to insure a living colt.

Dock is one of the finest bred Shetlands ever brought to Kentucky. He is sired by Imp. Blue Eye; 1st dam by Imp. Bobbin II; 2d dam Imp. Nanon by Imp. Bobbin III. He is a beautiful black and white splendidly marked and an aristocrat all over. Just 40 inches high and the sweetest little horse you ever saw.

A Remedy No Family Should Do Without

No matter how healthy a human being may be it is safe to say that not many months are passed without some obstruction of the bowels, in other words, constipation, even if only temporary. The bloating, the dull feeling may start after the evening meal. If a laxative is not taken that night it is certain that sleep will not be sound, and you will awaken unrefreshed.

Hence, it is important for you and for all the members of your family that a good, reliable laxative be always kept in the house for just such emergency. It is sure to be needed, and when needed you want it at hand. No family that is careful of its health can do without such a remedy. But the question of which remedy to have on hand is also of vast importance.

The laxative most highly recommended by the majority of intelligent Americans as being best for babies and grownups is Dr. Caldwell's Syrup Pepsin.

It is a liquid laxative- tonic, mild, and never gripes, is effective on robust people and can be given with safety to an infant. Children like it because of these gentle qualities and because it is pleasant to the taste.

It is the best all-around remedy you can have in the house for any disorder of the stomach, liver and bowels, and many people like it. H. Morgan, Price, Tenn., and Mrs. H. C. Davidson, Wart-race, Tenn., say they would as soon be without the necessities as without Dr. Caldwell's Syrup Pepsin.

Anyone wishing to make a trial of this remedy before buying it in the regular way of a druggist at fifty cents or one dollar a large bottle (family size) can have a sample bottle sent to the home free of charge by simply addressing Dr. W. B. Caldwell, 405 Washington St., Monticello, Ill. Your name and address on a postal card will do.

CARROLL PRESTON 4383

A horse that is distinguishing himself both as a sire and in the show ring. There were few better rings of colts seen in a ring this year than those exhibited at Lancaster, Ky., by Carroll Preston. He is by Preston 922, by Washington 54, by Cromwell 73, by Washington Denmark 64; 1st dam Baby Pence 7049, by Enoch Arden; 2nd dam by Almont Forrest. Fee \$25.00 to insure. Carroll Preston is nominated in the Saddle Horse Futurity Stake at Lexington, Ky.

Also in service

HIGH CLOUD 3334,

FORD

Less Than One Cent a Mile.

One-third of the cost of railroad transportation! That's the record of the Ford Model T—of a whole neighborhood of Fords, in fact.

Read this: "In that short time (June to September) I drove the car 1,850 miles with less than one-cent per mile running expenses, including lights, and no repairs at all. I think that record is good, but I know of several cars just like mine that made just as good records. So I think the Ford 5-passenger, 20 horsepower car is certainly the car for the farmer."

Signed E. W. Seiler, Dundas, Ill.

Country roads are not city pavements, either. Get the point? Ford Model T is the universally popular motor car the world over, because of its universal service and everlasting economy. Every third car made in America in 1912 will be a Ford Model T. Good buying logic for you, eh?

Ford Model T. Touring Car 4 Cylinders, 5 passengers, fully equipped f. o. b. Detroit \$690.00

Ford Model T. Torpedo, 4 cylinders, 2 passengers, fully equipped f. o. b. Detroit \$590.00

Ford Model T. Commercial Roadster, 4 cylinders, 3 passengers, removable rumble seat, fully equipped, f. o. b. Detroit \$590.00
